CODA Chicago Announces New West Chicago Location

We are pleased to announce CODA Chicago's relocation to:

537 Discovery Drive, Suite 300
West Chicago, Illinois 60185
Firms Code HBR3 remains unchanged
Port Code 3901 and hours of operation will remain unchanged

This move positions CODA Chicago for the next phase of our operations while allowing us to maintain the reliable service, accessibility, and responsiveness our customers and partners have come to expect from CODA.

To ensure a smooth and seamless transition, the current CODA Chicago facility will close Friday, November 13, 2026 sharply at 12:00pm allowing our team to complete transfer of all cargo to the new location.

Please take note of the following:

- **Inbound Cargo**: All inbound containers with an ETA of November 12, 2026 or later will deliver to our new West Chicago facility
- **Cargo Pickup**: We strongly recommend that all importers, brokers, and local drayage providers confirm cargo location before dispatching a carrier for pickup
- **Export Cargo**: Export cargo may begin delivering to our new facility Monday, November 16, 2026.

We appreciate your cooperation and partnership as we make this transition. Our team is committed to ensuring continuity throughout the move and minimizing any disruption to your operations.

As CODA Chicago begins this next chapter, we are grateful for the continued trust and support of our customers, partners, and service providers. Your partnership remains at the heart of our success.

We look forward to welcoming you to our new West Chicago location and continuing to serve you with commitment, responsiveness and personalized service that defines CODA.
